Subject: Thorncreek to Moscow mtg. with Linda on Tues.

Hi Tracy,

Schedules are quite busy but we are trying to meet with Linda next Tuesday. The only time free was during our lunch hour or during your HOLD on your calendar for a mining meeting. I didn't want to take up your lunch hour without asking so I put the meeting during your HOLD. However, if that meeting is still happening and you wouldn't mind a call during your lunch hour, I could move the appointment?

Whatever works best for you sounds great and I would be happy to rearrange/ move appointment.

Thanks!
